Did you know that things like *plastic bottles, coffee cups, tires, toys, lawn fertilizers*, and anything else that can be carried by water could end up in the Potomac River? These items can come from yards, streets, playgrounds or anywhere else in the watershed.

**TRASH** is an indicator of the respect we have for our communities, our environment and our heritage. A healthy river is a sign of a responsible and involved community. What does an unhealthy river tell about us?

**Concerned citizens like US can make an impact on the health of our river!**

**Pack & Troop scheduled cleanup time is 9am 'til noon.**

**Our cleanup location is:**

**Boiling Brook Creek & Randolph Hills Local Park**

**Meet at: Boiling Brook Shopping Center, Rockville**

**Shopping Center is located at**

**Rocking Horse Rd. & Boiling Brook Pkwy.**
